

Career Aspirations

We all have dreams of what our lives will look like in the future. Sometimes it help to write them down to force yourself to put them in words and get clarity about what really makes you happy and what you should be striving for. Try to write at least a few sentence answers for each question below.

01 How did you dream 10 years ago you're life would look now? What has come true and what has not?

02 What have you done right and what has been holding you back?

03 What can you do to overcome these obstacles?

04 What dream do you feel you've had to give up on or make compromises?

05 If you knew you could not fail, what kind of life/career you would pursue?

06 If you did pursue it, what would your life look like in 10, 15 years? What would happen if you did not?
